

External Examiners

The information contained on this page will support you in sharing information with External Examiners and other associated roles.

There are two resources for External Examiners.

For University staff, you can read the full guidance here on the intranet.

For external examiners, guidance on using the account and Blackboard can be found here.

Course Resources (Blackboard)

- Please refer to our comprehensive guide on Managing External Examiner access to Course Resources (Blackboard)

Panopto

- Panopto recordings can be shared externally outside of Blackboard.

PebblePad

PebblePad also has a mechanism for allowing access to External Examiners, please refer to our help guide for more information.
