

External Examiners

The information contained on this page will support you in sharing information with External Examiners and other associated roles.

The [University website](#) contains information on the External Examiners system.

Course Resources (Blackboard)

- Please refer to our comprehensive guide on [Managing External Examiner access to Course Resources \(Blackboard\)](#)
- There is also a series of dedicated pages for [Adaptive Release](#).

Panopto

- [Panopto recordings](#) can be shared externally outside of Blackboard.

PebblePad

PebblePad also has a mechanism for allowing access to External Examiners, please refer to our [help guide](#) for more information.
