

# PebblePad - Adding a link to PebblePad from course resources

## Adding a link to PebblePad from Course resources

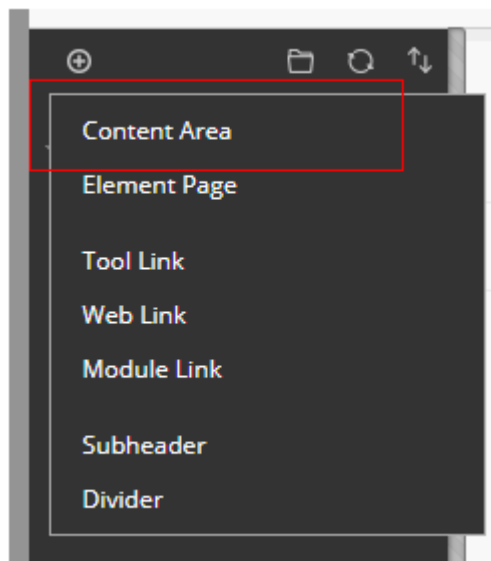

1. Log into Course Resources and the module you want a link to PebblePad from

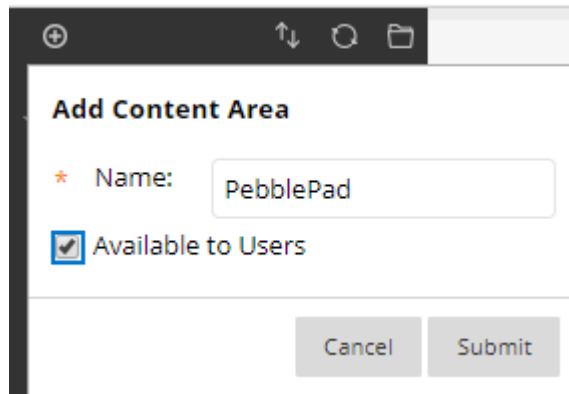

2. Create a new 'content area' by clicking on the small plus sign in the top left hand corner of your menu bar

3. Select "Content Area"

4. Name the content area 'Pebblepad' and make available to Users. Students will need to access this link.

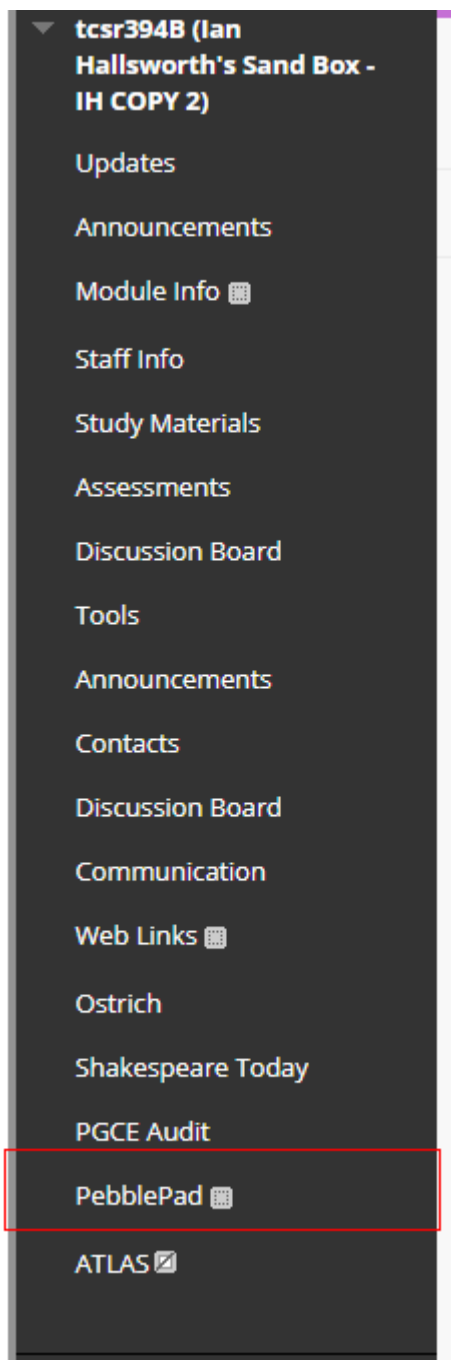

**Add Content Area**

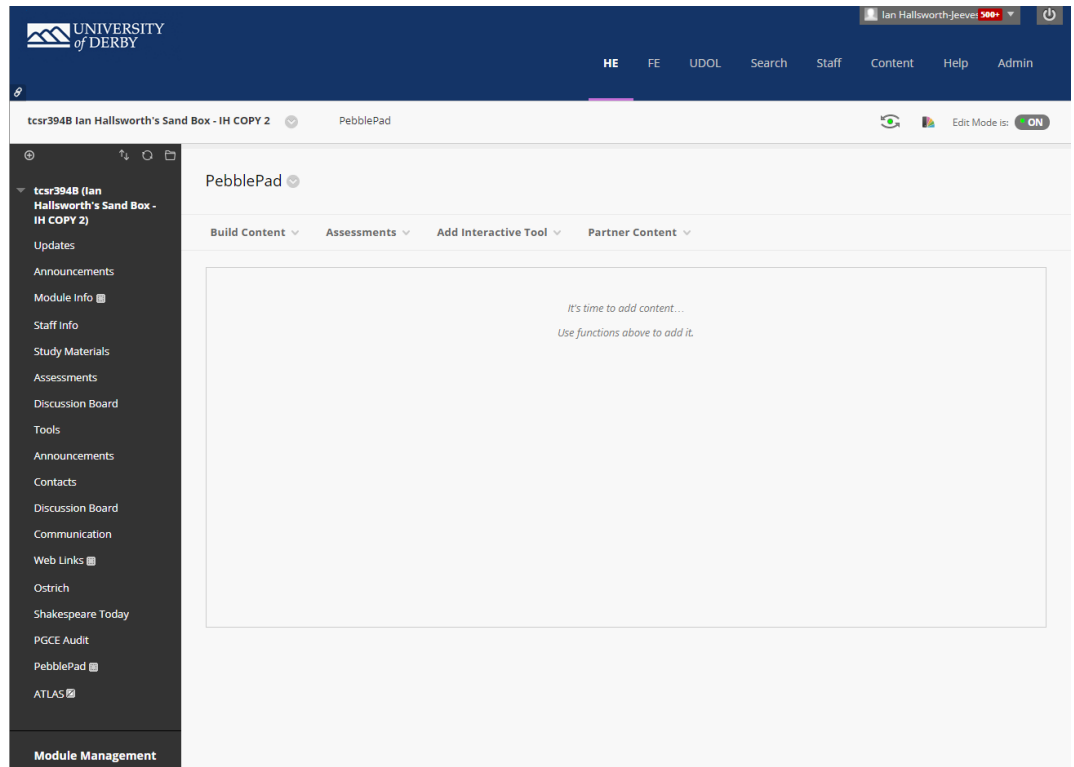

\* Name:

Available to Users

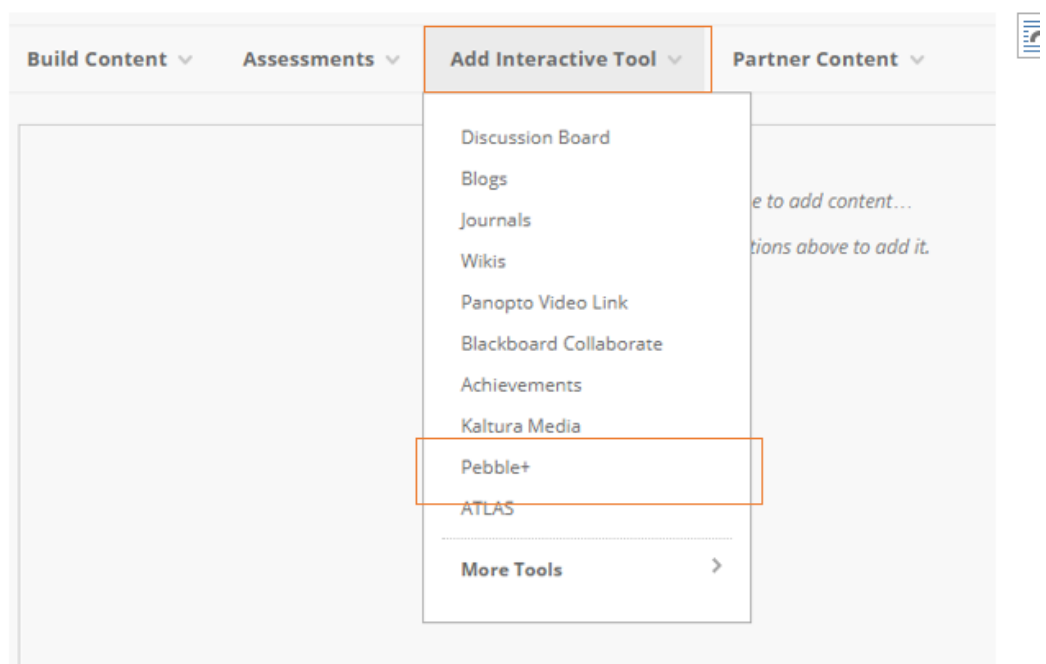

5. Click 'Submit'
6. You'll now see the 'PebblePad' link on the left hand side menu..

7. Click on the PebblePad content area that you have just created.

8. From 'Add interactive tool' choose 'Pebble+'

9. A form will then appear, you do not need to add or change anything in this form. Just click on 'submit'

\* Indicates a required field. Indicates unsaved changes.

**TOOL INFORMATION**

Enter the details to appear on the content page for this link.

\* Name  Title of content item

Path: p Words: 0

Description of content item

Click **Cancel** to go back.

10. You'll now see that you have set up a link to 'PebblePad' within your Course Resources programme/module area.

The screenshot shows the University of Derby LMS interface. The top navigation bar includes the university logo and links for HE, FE, UDOL, Search, Staff, Content, Help, and Admin. The user is logged in as 'Ian Hallsworth-Jeeve: 500+'. The course title is 'tcsr394B Ian Hallsworth's Sand Box - IH COPY 2'. The page title is 'PebblePad'. A sidebar on the left lists various course resources, with 'PebblePad' highlighted. The main content area shows a 'Pebble+' icon and the text 'Pebble+'.
