

Poll Everywhere

Poll Everywhere lets your audience interact with a live presentation using their mobile phones or other devices.

Essential quick guides:

[Derby University Quickstart Polleverywhere setup guide](#)

[How to create polls using Poll Everywhere.](#)

NOTE: PollEv plugin for Powerpoint is available from the Software Centre on all staff machines, To access the software Center please go to Start > All Programs > Microsoft System Center > Software Center, or search "Software Center".

You can install the plugin from the Poll Everywhere website on your own computer.

Contact x1234 for help on installing the PowerPoint plugin.

The plugin is already installed on all classroom PCs.
